

Clinton Community Nature Center

WANTS YOU

To help us “plant the seeds” of patriotism in the City of Clinton!

Clinton Community Nature Center is promoting a **HOLIDAY FLAG PROGRAM** in the City of Clinton. Proudly display your patriotic spirit AND help the Nature Center continue to provide our outstanding educational and conservation programs. Holiday Flag Subscriptions make great gifts, too. Honor a loved one! Salute a veteran! Start a neighborhood tradition!

For only **\$50.00 annually**, Nature Center volunteers will place an American Flag in your front yard for the following holidays:

Presidents Day in February · **Memorial Day** in May through **Independence Day** in July · **Veterans Day** in November

Each flag is **made in the USA**, measures **3 X 5 feet** and is mounted on an **8-foot pole**. Clinton Community Nature Center handles installation, removal, storage and maintenance of your flag.
